Name of Dog: _____	Dogs Age: _____
Breed of Dog: _____	Weight of Dog: _____
	<i>*Vet Certificate needs to be supplied</i>

* All dogs compete in their relevant weight classes so it is vital for a fair competition that you have your dog weighed no more than seven (7) days prior to the event. All vets have scales and will weigh your dog without charge and record the weight for you to bring to the event.

** If the temperature is announced as 35 degrees for the day of the weightpull the night prior on channel 7 news at 6pm, that particular round of weightpull will be cancelled.
